

**Hands in Clay Scholarship – 5707 Smith Ave. - Baltimore, MD 21209**

Baltimore Clayworks' goal in providing the **Hands in Clay scholarship** is to improve the diversity of our student body and remove economic barriers to class enrollment. An applicant will be selected by lottery and awarded a choice of one class, during our Summer 2019 session, at our Mt. Washington campus to attend free of charge.

Eligible applicants self-identify as either a person of color or a person with a disability, and require financial assistance for tuition.

After the scholarship is awarded, we'll schedule a 1:1 conversation with the recipient to discuss specific access and transportation needs so we are best prepared to promote safe and effective participation.

The committee will review and award one scholarship per term by lottery system.
